Crossway Climber, Large and Small

## Crossway Climber

Inspired by the sport of bouldering, the Miracle Crossway Climber provides the thrills of rock climbing in the controlled safety of a playground setting. Its flexible design delivers multiple play opportunities, engaging children on the physical, social and imaginative levels with elevated climbs that give kids a greater sense of both risk and accomplishment. It's also a social play experience that establishes a gathering spot where children of different ages and abilities can enjoy playing together.
